

Introducing a new addition to it's Jet Aircraft Fleet

	
<p>The Falcon 7X in a class by itself Engineered with Passion</p>	
	

A Business Jet Aircraft for the discerning traveler

Climb out of your departure point like fighter jets do...

And cruise along ...

Cruise non-stop for over 6,000 miles, at 552 mph

In utmost comfort and style...

Can seat up to 14 passengers in a most luxurious configuration.

Passengers' pampering will never be the same...

And to complete the picture, the Flight Crew is just as well equipped with the latest “fly-by-wire” technology to take care of front office business ...

Falcon 7X
Engineered with Passion

Flightexec is one of Canada's premier aviation businesses, offering Corporate and Private Jet Charters. With bases in South Western Ontario, we fly throughout Canada, the USA, and International destinations. Our diverse aircraft fleet includes the finest Luxury Jets in the Canadian Business Aircraft charter market.

At Flightexec, We can customize your air travel needs whether your journey is intra-city, across the country or around the world. Here are some of the many benefits you get by arranging your aircraft chartering from us:

- The safety and security of being on your chosen aircraft type, and using private executive terminals
- The convenience to travel to airports anywhere in the world – many not even served by scheduled airlines
- The ability to travel in a relaxed and peaceful environment and thus enhance your productivity while avoiding the delays and hassles of traffic gridlock and congested airports
- The possibility to change your itinerary or travel plans as often as you need; our travel support center is available 24/7
